

Electrical Safety Tips

Electrical Hazards

- ❖ Inspect all electrical equipment before use.
- ❖ Use the proper size and type light bulbs in decorative lighting.
- ❖ Don't overload electrical circuits.
- ❖ Turn off electric candles and decorative lighting before going to sleep.

Electrical Safety

- ❖ Only use UL-approved lighting and accessories.
- ❖ Only use indoor lighting indoors.
- ❖ Do not allow your electrical cords to sit in water
or damp places.

Have a Safe and Stress-free Holiday
